English	Think of a person in your family that inspires you. Think about: **What makes this person special?** **What qualities do you admire about them?** **What have you learnt from them?**	Choose one of the four women to investigate: Katherine Johnson, Dorothy Vaughan, Mary Jackson or Christine Darden. **Present your findings** as a short fact file or poster. You can include pictures and interesting facts!	Imagine you could interview one of the inspirational women from *Hidden Figures*. Write **five questions** you would like to ask her about her life, achievements and the challenges she faced. **Challenge:** Imagine how she might answer your questions!	Design and draw your own robot and label its special features. Think about what your robot can do and how it could help people. **Challenge:** Write a short paragraph explaining why your robot would be useful and what makes it special.	Imagine you are the main character from *Robot Girl*. Write a diary entry explaining how you felt, what challenges you faced and what you learnt from your experience. **Challenge:** Include exciting adjectives and describe your thoughts and feelings.	Imagine you could invent something amazing, just like the characters in *Robot Girl*! Think of an invention that could make the world a better place. Draw your invention and explain how it works. **Challenge:** Explain who your invention would help and why it is important.	Grammar worksheet

Times tables:

By end of year 4, children are expected to know their 1 – 12 times tables.
Children should also learn division facts related to the times table they are working on. For example, children should know that 5 x 3 = 15, so 15 ÷ 5 = 3.
