

Harbinger Primary PE and Sport Premium Evaluation Autumn 2016

Primary PE and Sport Premium Allocation 2016-17 £ 9,311

Details of how much PE and Sport premium funding the school has received in previous years and how the funding is spent can be found at <http://www.harbingerschool.co.uk/our-school/pe-sport-premium>

This document explains the effect the premium has had on pupil's PE and sport participation and attainment and how these improvements are to be sustained. The impact of the spending will be evaluated on a termly cycle with areas for development identified for each term.

The Primary PE and Sport Premium funding has been provided to:

Achieve self-sustaining improvement in the quality of PE and sport in primary schools.

In order to measure the impact of the provided premium we will evaluate improvement against the following 5 indicators.

- 1. the engagement of all pupils in regular physical activity - kick-starting healthy active lifestyles*
- 2. the profile of PE and sport being raised across the school as a tool for whole school improvement*
- 3. increased confidence, knowledge and skills of all staff in teaching PE and sport*
- 4. broader experience of a range of sports and activities offered to all pupils*
- 5. increased participation in competitive sport*
