

# Harbinger School Development Plan: Performance Dashboard 2022.23

Context of the school					
<p>Harbinger School experienced an unsettled period for a number of years prior to September 2020. An Ofsted inspection in 2014 graded the school as Requires Improvement. Then in 2016 the school was graded as Good. Most recently in November 2019, after a change in leadership a year before, the school was once again graded as Requires Improvement. The headteacher at the time of the inspection, who had been in post since September 2018, left at the end of the 19.20 academic year.</p> <p>Whilst the school received an inspection result of Requires Improvement in 2019 it was felt that this was a positive outcome under the circumstances, as there were very serious concerns held by the local authority in respect of safeguarding in the school.</p> <p>Despite this, Harbinger benefits from a stable staff team who are deeply committed to the school, many of whom who have worked for the school for more than 10 – 15 years. They care enormously for the children who attend the school, many of whom who come from families who for generations have attended Harbinger School themselves.</p> <p>The consistent issue that had faced the school was the outcomes achieved by children, especially in literacy and at the end of Key Stage 2. Certainly the last inspection identified that expectations in the curriculum were not high enough.</p> <p>The school serves a diverse East End community, with the significant majority of children attending coming from either White British or Bangladeshi families. The school has a very high percentage of Pupil Premium families, and a significant number of children come from families who have lived on the Island for generations with a history of unemployment since the London Docklands ceased to be a key employer. Despite being on the Isle of Dogs, under the sky scrapping towers of Canary Wharf, these communities are not well represented in the Canary Wharf workforce. Aspirations stemming from home therefore have impacted upon pupil outcomes, often evidenced in the poor attendance of some children. The requirement for the school to over compensate is very high.</p> <p>The 'Requires Improvement' judgement has resulted in the school's roll falling. Already vulnerable in terms of raising achievement with a PAN of 45 pupils in each year group and mixed age classes, further reductions increase vulnerabilities in terms of budget. Furthermore, the budget is already compromised by a PFI deal reached 18 years ago, for which the school needs to serve a further 7 years, and that costs the school in excess of £260k a year.</p> <p>This context outlines some of the challenges, however progress since September 2020 has been significant.</p> <p>Since September 2020, Harbinger has had a partnership with St. Luke's CE School, also on the Isle of Dogs. The partnership was initially set up to last two years but has since been extended indefinitely. The former headteacher of St. Luke's is now the Executive Headteacher across both schools and the former Deputy Headteacher of St. Luke's is now the Head of School full time at Harbinger. The leadership of the school meet with the Local Authority on a half termly basis to assess the impact of the partnership and measure the progress being made by the school.</p> <p>The outcomes achieved in the 2022 national assessments demonstrate a positive picture across all phases. All KS1 'at expected' outcomes exceed national outcomes and these were moderated by the LA. Notably, the combined outcomes at KS2 show a significant improvement when compared to the same measure in 2018 and 2019, despite the significant disruption of Covid. Outcomes for Reading and GPS far exceed those achieved nationally at KS2 and outcomes for Writing, Mathematics are in line.</p> <p>This data clearly evidences that the school is on a surer footing. Safeguarding has been assessed by the LA as being effective. Work to raise expectations in the curriculum has been extensive and is ongoing. The staffing structure has been overhauled and a number of changes made to the teaching workforce. The appetite for ongoing school development is strong and the pace of change is rapid.</p>

## Harbinger's School Development Plan: Objectives 1 – 5

Objective 1	Strengths	Success Criteria for 2023		
<b>Develop the school's curriculum</b>	<ul style="list-style-type: none"> <li>The provision for EYs and KS1 enables children to make strong progress in learning. (<i>Ofsted 2019</i>)</li> <li>Outcomes for Reception in 2022 demonstrate that pupils who were in the school for the full year achieved in line with national outcomes at 65%.</li> <li>'At expected' outcomes for children in Key Stage 1 in 2022, that were moderated by the Local Authority, exceeded those achieved by schools nationally for each of reading, writing, mathematics and combined measures.</li> <li>'At expected' outcomes for children in Key Stage 2 in 2022, exceeded those achieved nationally in Reading and Grammar/Punctuation and Spelling. They were broadly in line with national for Writing, Mathematics and Combined measures. This demonstrated immense progress on previous years, most notably in the 'Combined' outcomes.</li> <li>Greater depth outcomes at KS2 in 2022 for Reading, Mathematics and Grammar/Punctuation and Spelling were also high.</li> <li>EYs teachers enable children to develop their language skills swiftly. (<i>Ofsted 2019</i>)</li> <li>Leaders in the school have worked together to create a cohesive curriculum so that the learning in each subject is carefully sequenced, with the learning in each year building upon the previous year, starting from the Nursery.</li> <li>Children acquire a love of reading. (<i>Ofsted 2019</i>)</li> </ul>	<ul style="list-style-type: none"> <li>The EYs curriculum provides no limits or barriers to the children's achievement, regardless of their backgrounds, circumstances or needs.</li> <li>Teaching sequence for all subjects, including Science, MFL, PE and Music is clearly portrayed through Road Maps for each subjects and clearly defined end points.</li> <li>Unit overviews exist for all subjects including Music, art, DT, PE and MFL tailoring commercially available schemes to Harbinger's uniqueness evident in the agreed drivers.</li> <li>Series of lessons consistently match the aims of the curriculum, exploiting links to the school's agreed drivers.</li> <li>Learning is challenging for all children and this is evidenced in increasing numbers of children achieving greater depth at Key Stage 1, at KS2 in Writing and Maths and 'stable children' achieving stronger outcomes than the whole cohort at KS2.</li> <li>Evidence demonstrates that all children are getting the substance of the curriculum irrespective of disadvantage and/or need.</li> <li>Pupils read widely and often, with fluency and comprehension, appropriate to their age as a result of the rigorous and sequential reading curriculum they experience.</li> <li>For disadvantaged children to achieve Phonics outcomes that are in line with those achieved by the whole cohort or better.</li> <li>The disadvantaged children at Harbinger achieve outcomes for Phonics that exceed those achieved by all children nationally.</li> <li>Pupils are able to apply mathematical knowledge, concepts and procedures appropriately for their age in all strands of the mathematics curriculum including handling data and Shape, Space and Measure.</li> </ul>		
Actions		Lead	Timescale	Resources
<b>Inspire academic rigour and precision in the implementation of teaching, learning and the curriculum:</b> <ul style="list-style-type: none"> <li>Work to achieve a consistent understanding what constitutes effective teaching across the school.</li> <li>Through lesson observation and peer review (Internally, in partnership with St. Luke's and with external partners), seek to ensure that learning is challenging, builds on what children already know and well-paced to enable progress to be made in lessons by <b>all</b> children.</li> <li>Develop consistency across the school to include: Retrieval, rehearsal and increased independent work.</li> <li>Use the Early Careers Framework to support the Early Careers Teachers.</li> </ul>		Nimesha Nagahawatte	Throughout the year. Peer review in March 2023.	Staff meeting time as detailed in the monitoring and evaluation schedule.  THEP membership for Peer Review: £5208
<b>Further develop the Early Years provision:</b> <ul style="list-style-type: none"> <li>To accelerate children's acquisition of communication and language using various strategies and interventions</li> <li>Continue to ensure each environment is language rich and offers constant opportunities for engagement in all types of play.</li> <li>Continue to develop the use of the outdoor space to enable children to be challenged and extended as they do inside the classroom.</li> <li>Increase our expectations of the amount of recording children can do throughout EYs so that children are writing every day, for reception pupils, using writing books.</li> <li>Include in this more handwriting practice and exercises for reluctant writers so that they can develop the physical dexterity to manage the writing process.</li> <li>Make sure learning journeys are informed by a variety of information sources, to provide an accurate assessment for each child in order to move them forward in their learning.</li> <li>See sections for Phonics and DSR – to develop children's reading and comprehension of text.</li> <li>Engage pro-actively with the LA moderation.</li> </ul>		Jackie Garner	Throughout the year.  Engage with LA EYs team in Summer 2023	£500  EYs meeting time built into directed hours each week

<p><b>Refine intent and implementation for Reading:</b></p> <ul style="list-style-type: none"> <li>• Ensure all children are read to every day at a level beyond what they can comfortably read to themselves.</li> <li>• Ensure a log of this reading is maintained on the class doors.</li> <li>• Continue to use 'Tutormate' in Year 1 and Year 2. Explore Bookmark volunteers with Year 2 to increase opportunities for children to read with an adult each week.</li> <li>• Continue to refine use of the Partnership Phonics Programme targeting refinements to the teaching programme for the lowest 20% of children and making sure children are accessing phonically decodable books.</li> <li>• Continue implementation of 'Bug Club' in Reception and KS1 with the intention of increasing parental engagement to facilitate reading at home.</li> <li>• In DSR and DR maintain a focus on clarification to support some WB pupils as well as EAL pupils in acquiring an understanding of an increasing vocabulary and continue to refine the use of the reading stem questions.</li> <li>• Ensure feedback is shared with the DSR Lead and subsequent movement of children and adults between groups.</li> <li>• Explore reading interventions in KS2.</li> <li>• Trial use of digital reading journals as a communication tool to inform tracking pupils' progress in Destination Reader.</li> </ul>	<p>Jackie Garner  Eddie Miller  Emily Thakrar</p>	<p>Throughout the year.</p>	<p>£4682 – library  THEP membership includes Literacy Consultant Support for Phonics  £4000 Phonically decodable books  £2000 Bug club  Staff meeting time as detailed in the monitoring and evaluation schedule.</p>
<p><b>Refine intent and implementation for Writing:</b></p> <ul style="list-style-type: none"> <li>• Continue to enable staff to access Literary Curriculum training and literacy units to inspire the children as writers.</li> <li>• Ensure systematic teaching of spelling, punctuation and grammar is happening across the school.</li> <li>• Ensure handwriting is consistently taught and Pen Licences are used consistently in KS2 to encourage children to adopt a consistent letter formation and then cursive handwriting style.</li> <li>• Increase expectations regarding the complexity of sentence structure in children's writing, extending use of Alan Peat's sentences.</li> <li>• Develop the process of redrafting as distinct from editing.</li> <li>• Pilot the use of IT to enable the writing process.</li> <li>• Look to reduce reliance on success criteria to increase independence across writing units.</li> <li>• Continue to ensure the wider curriculum provides a purpose for writing that motivates children.</li> <li>• Provide support and training to enable staff to make effective use of Colourful Sentences ('Colourful Semantics').</li> </ul>	<p>Jackie Garner  Eddie Miller  Emily Thakrar  Fiona Keogh</p>	<p>Throughout the year.</p>	<p>£749 Literacy Tree  £380 Letter Join  Staff meeting time as detailed in the monitoring and evaluation schedule.</p>
<p><b>Refine intent and implementation for Maths:</b></p> <ul style="list-style-type: none"> <li>• Continue to develop variety in the children's experience, where the children record more of their work and there is a reduction in the use of worksheets.</li> <li>• Continue the development of reasoning with areas of maths other than number.</li> <li>• Maintain our focus on increasing independence through effective reductions in scaffolding and differentiation.</li> <li>• Work in partnership with the LA Consultant CL to provide support for teachers with planning high expectations for children's learning and up skilling teachers' subject knowledge through effective CPD.</li> <li>• Carefully monitor the progress made by the least able children in maths and the most able children in maths, identifying development points where children are not progressing as expected or required.</li> <li>• Use No Nonsense Maths as Maths interventions in KS2.</li> <li>• Use of Sandwell Maths assessments to assess Maths learning.</li> </ul>	<p>Meagan Marcus</p>	<p>Throughout the year.</p>	<p>£200 Times tables Rockstars  £100 White Rose  THEP membership includes Maths Consultant time  Staff meeting time as detailed in the monitoring and evaluation schedule.</p>
<p><b>Create intent and plans for each subject in the school's Wider Curriculum:</b></p> <ul style="list-style-type: none"> <li>• Make sure we seize every opportunity to develop the impact of the curriculum drivers through the teaching of different subjects.</li> <li>• Keep under review the alignment of different topics to year groups, because of the impact of declining numbers on the construction of classes from year to year, making sure that all children experience high expectations and are able to progress in their learning and understanding across all subjects each year and experience the full National Curriculum.</li> <li>• Ensure phases are delivering the 2-year cycle for the Wider Curriculum subjects.</li> <li>• Cement the understanding and use of Components, End points/Composite Goals when organising and delivering the curriculum.</li> <li>• Where we have a scheme to support the delivery of the curriculum, develop Unit Overviews that tailor the scheme to our school and drivers.</li> <li>• Work with St. Luke's to refine and implement the curriculum for French and PE.</li> <li>• Engage with the anti-racist curriculum work in the borough.</li> <li>• Continue to take an active role in the History Project with the other island schools, the LA and Christine Counsel.</li> </ul>	<p>Nimesha Nagahawatte  Subject leaders both at Harbinger and St. Luke's</p>	<p>Throughout the year.</p>	<p>Music SLA - £6264  Each subject leader to have a cycle of leadership time built into PPA schedule throughout the year.  Staff meeting time as detailed in the monitoring and evaluation schedule.</p>
<p><b>Building on the Microsoft Showcase School Award</b></p> <ul style="list-style-type: none"> <li>• Build on staff's existing prior knowledge and skills in digital education by planning relevant CPD, including working across the St Luke's partnership.</li> <li>• Plan to trial 1:1 devices with a cohort of children next academic year so we can begin to integrate technology and weave innovative teaching in a broader way. Our ultimate aim is to have 1:1 devices but at this stage, we will trial it with classes/year groups. The strategy would be to move to 1:2 devices for children in KS2.</li> <li>• Use the results from our recent staff audit, from September, we will plan a specific programme of CPD to further develop staff skills and subject knowledge, for all staff and specific groups e.g. training on OneNote;. We want to keep the momentum going.</li> <li>• Aim for every teacher to be on the MEC Pathway.</li> <li>• Aim for 20% of educators to achieve MIEE status.</li> <li>• Aim for 10% of educators to achieve MCE status.</li> </ul>	<p>Nimesha Nagahawatte</p>	<p>Throughout the year.</p>	<p>£1100 Purple mash  £34,802 IT budget</p>

<ul style="list-style-type: none"> <li>Continue to innovate and promote good practice in the use of Teams and various apps, building up talent across our partnership and beyond.</li> </ul>			
<p><b>Oracy</b></p> <ul style="list-style-type: none"> <li>Promote oracy as a priority across the curriculum – delivering staff CPD, auditing oracy practice</li> <li>Oracy Lead to work with teachers and subject leaders to plan for Presentational talk opportunities and events</li> <li>Half-termly oracy assemblies scheduled to be led by Oracy Lead</li> <li>Pupils confidently engage in conversations and daily interactions</li> <li>Create discussion guidelines and provide scaffolds for talk</li> <li>Oracy Ambassadors appointed to support school tours</li> </ul>	Fiona Keogh	Throughout the year.	Subject leadership time built into the PPA schedule for the year.

Objective 2	Strengths	Success Criteria for 2023		
<p><b>Develop use of data and assessment to improve pupil outcomes.</b></p>	<ul style="list-style-type: none"> <li>3-year incremental improvement to % children achieving GLD from 2017 – 2019 with 2022 outcomes for children who were in the school for the full year being in line with national at 65%.</li> <li>3-year improvement to Y1 Phonics outcomes with 2019 outcomes in line with national. 2022 Phonics outcomes at 79% exceed the national average of 76%.</li> <li>3-year improvement to 2019 for KS1 outcomes with 2019 outcomes above national for R, W, Ma and Combined outcomes.</li> <li>‘At expected’ outcomes for children in Key Stage 1 in 2022, that were moderated by the Local Authority, exceeded those achieved by schools nationally for each of reading, writing, mathematics and combined measures.</li> <li>‘At expected’ outcomes for children in Key Stage 2 in 2022, exceeded those achieved nationally in Reading and Grammar/Punctuation and Spelling. They were broadly in line with national for Writing, Mathematics and Combined measures. This demonstrated immense progress on previous years, most notably in the ‘Combined’ outcomes.</li> <li>Greater depth outcomes at KS2 in 2022 for Reading, Mathematics and Grammar/Punctuation and Spelling were also high.</li> <li>SEN children achieve well. (Ofsted 2019)</li> </ul>	<ul style="list-style-type: none"> <li>The gap between the schools outcomes and national outcomes at the end of Reception is reduced.</li> <li>Phonics and KS1 ‘At Expected outcomes’ exceed those achieved nationally.</li> <li>KS2 outcomes for Writing, Mathematics and Science exceed those achieved nationally for the ‘At Expected’ measure.</li> <li>Learning is challenging for all children and this is evidenced in increasing numbers of children achieving greater depth at Key Stage 1, at KS2 in Writing and Maths and ‘stable children’ achieving stronger outcomes than the whole cohort at KS2.</li> <li>Increase the attainment of our disadvantaged children in writing by the end of Y6, to close the gap between their performance and the performance of all children nationally.</li> <li>To close the gap between the 2022 performance of our disadvantaged children with the outcomes for all children nationally in mathematics by the end of Y6.</li> <li>In Years 1 – 5, % Disadvantaged children achieving expected outcomes in reading, writing and mathematics is in line with or better than whole cohort.</li> <li>All progress measures for the 2023 data will be positive.</li> <li>Assessment of all subjects, including Foundation Subjects, is secure and impacting progression in learning for all children.</li> </ul>		
Actions		Lead	Timescale	Resources
<p><b>Improve use of data</b></p> <ul style="list-style-type: none"> <li>Make sure the pupil tracking software provides the data needed for school improvement (R, W, M and Comb), efficiently and accurately.</li> <li>Continue to use Performance Management, Target Setting meetings and Pupil Progress meetings, to make sure that boys, Pupil Premium, White British children and ‘Stable’ children are carefully tracked.</li> <li>Consider more effective ways to plan provision for the PP children and measure the impact achieved referring to DfE guidance.</li> <li>Provide teachers with support to enable them in specifically pin-pointing gaps in the children’s learning that still exist since Covid-19.</li> <li>Share the gaps in learning that have been identified with parents so that they understand where children need to catch up.</li> <li>Review progress with the gaps in learning through the pupil progress meetings and learning check ins.</li> </ul>		Rebecca Abrahams  Nimesha Nagahawatte  Subject leaders	Target setting meeting at the start of the year and then termly collection and analysis of data and then Pupil Progress meetings.	£1000 Tracker cost
<p><b>Improve assessment</b></p> <ul style="list-style-type: none"> <li>Continue to use standardised tests twice a year (NFER) twice a year for reading and the end of unit White Rose assessments for mathematics. Refine the identification of areas for improvement for groups of children.</li> <li>Trialling the use of Reading Progress on Teams for Reading in KS2. Baseline assessments to be completed in Autumn 1<sup>st</sup> half term and then repeated termly.</li> <li>Develop the use the Engagement Model to improve progress tracking for children who are working significantly below age related expectations.</li> <li>Increase the use of moderation in all subjects through the partnership with St. Luke’s and also within the IoD cluster for mathematics to ensure the robustness of our assessment by comparison to others.</li> <li>Develop the use of the Knowledge Organisers and Quizzes to ensure assessment in the Foundation Subjects is efficient, informative and manageable for teachers.</li> <li>Use PM Benchmarking for reading in Reception (spring/summer term) and KS1.</li> </ul>		Nimesha Nagahawatte  Eddie Miller  Emily Thakrar  Jubeda Ahmed	Assessments completed at least once per term.	Tests paid for out of general stock as and when needed.
<p><b>Develop a Provision map and seek to increase impact of interventions</b></p> <ul style="list-style-type: none"> <li>Using the data from Target Setting and Pupil Progress meetings, continue to identify the exact needs of children, the best interventions to address them and ensure this is held in a Provision Map so that the provision is in place to enable learners who have fallen behind or who have specific needs, to catch up or progress well.</li> <li>Ensure systems exist to enable the impact of interventions to be monitored and evaluated carefully, leading to greater consistency.</li> <li>Keep the deployment of staff to deliver 1: 1 support and interventions under review to ensure it is optimised to reach the increasing range of need.</li> <li>Liaise carefully with SALT to ensure work undertaken matches school’s evaluation of requirements and need.</li> <li>Expand training opportunities for staff in relation to children’s specific needs.</li> <li>Implement a comprehensive strategy in Year 6 to uplift attainment and increase pupil progress, which may include flexible groupings with some streaming.</li> </ul>		Jubeda Ahmed – provision map and interventions	Throughout the year.	SALT contract is £14,850  Edukey - £960  Education Psychology Service - £1875  SEN Resources £1148  HLTAs enable flexible teaching groups, one in each phase.  Staff meeting time.
<p><b>Empower learners to be increasingly independent</b></p> <ul style="list-style-type: none"> <li>Work towards ensuring that at least 50% of available lesson time is being used for the children to work independently and that in all year groups, children are being expected to write independently more every day, which is recorded, to enable the tracking of their progress (consideration taken for children with SEND)</li> <li>Reduce dependency on worksheets, so that children are making decisions about how they are presenting their learning and they are learning that learning in different subjects looks different and requires different skills.</li> <li>Keep under review the use of Success Criteria – consider if they create a ceiling to achievement or are they enabling increased independence. Investigate the evidence that across a unit of work, the use of Success Criteria is being reduced to encourage children to think more for themselves and draw upon their prior learning.</li> <li>Provide CPD to teaching assistants in how to avoid over scaffolding learning and support teaching assistants to hold back from assisting learners too quickly.</li> </ul>		Nimesha Nagahawatte  Jubeda Ahmed  Eddie Miller	Ongoing throughout the year.	Peer Review and staff meeting time.

<ul style="list-style-type: none"> <li>Employ strategies in teaching that empower even the most reluctant learners to have a go and allow for sufficient thinking time for children.</li> <li>Explore the use of software to motivate learners to seek to achieve more for example: Reading Progress</li> <li>Develop the culture of 'all children can do it' by continuing to reflect on 'Growth Mind set' work.</li> </ul>			
<p><b>Strengthen the partnership between the school and parents, with a focus on learning</b></p> <ul style="list-style-type: none"> <li>Create opportunities for learning together in Nursery and Reception.</li> <li>Enable parents to come in and read with their children and experience learning in other subjects, for all year groups, across the year.</li> <li>Parents invited to class assemblies to celebrate children's learning.</li> <li>Organising Parent workshops.</li> </ul>	<p>Jackie Garner</p> <p>Eddie Miller</p> <p>Emily Thakrar</p>	<p>Ongoing and throughout the year as detailed in the monitoring and evaluation plan.</p>	<p>No cost</p>

Objective 3	Strengths	Success Criteria for 2023
<p><i>Improve pupils' personal development, behaviour and attitudes</i></p>	<ul style="list-style-type: none"> <li>Children are welcoming.</li> <li>There is a very high level of pastoral care for the children and their families.</li> <li>Harbinger has a set of values that are strongly embedded in the culture of the school and understood by the children.</li> <li>Positive relationships exist between the children and the staff. Behaviour is improving, as evidenced in a recent Peer learning review, with increasing consistency across the school.</li> <li>The school has achieved the Anti Bullying Alliance Silver award.</li> <li>Children's attendance improved across 2021.22 with the attendance of children in Years 1 – 6 at the end of the summer term being 94.2% which we believe is above the national average. The AWA reported: 'Attendance at Harbinger has really improved'.</li> <li>A Local Authority audit summarised that Safeguarding is effective and rapidly improving.</li> </ul>	<ul style="list-style-type: none"> <li>Safeguarding continues to be effective.</li> <li>Attendance is at least 95% and the school's attendance is higher up by comparison to other schools in the LA.</li> <li>Pupils' behaviour and attitudes are graded as good in the next Ofsted inspection.</li> <li>Personal development is graded good in the next Ofsted inspection.</li> <li>Children have access to an increasing rich set of experiences and children are supported in developing their talents and interests.</li> <li>Disadvantaged children consistently benefit from the school's opportunities.</li> <li>We want to close the gap between the attendance of all children in the school and the attendance of the disadvantaged children.</li> </ul>
