Wider Curriculum	Make a poster to explain what a growth mindset is. Make sure to include pictures, colours and writing! Here are some ideas to help you: pdf (bbci.co.uk)	In French, we are focusing on greetings. Practice your French with a family member or friend by using the greetings you learnt in class.	For Music, listen to your favourite song and write down the names of two instruments you can hear. Draw a picture of one of those instruments.	In RE, we are exploring the different symbols people have in different religions. Create/draw your own symbol that shows who you are.	In Computing lessons, we are learning about the importance of staying safe online. Write a paragraph or two about how you use the internet. What websites do you like to use? How do you stay safe online?	Make a poster about all the fascinating learning you have enjoyed in our PSHE topic this term.	In Science, we have been learning about Living things and their habitats. Create a science poster showcasing all that you've learnt this. Don't forget to include some fun facts to make it exciting and informative!

Spellings:

In class, we will be using a spelling scheme of work called No Nonsense Spelling. Each week, we will be learning a new spelling rule or memorising words from the year 3 / 4 spelling list.

1. beautiful 2. because 3. behind 4. children 5. clothes 6. everybody 7. improve 8. parents 9. whole 10. would	1. running 2. skipping 3. chatting 4. planning 5. clapping 6. smiling 7. hoping 8. baking 9. waving 10. dancing	1. unhappy 2. unlucky 3. unusual 4. untie 5. undress 6. dislike 7. disagree 8. dishonest 9. disappear 10. disloyal	1. can't 2. doesn't 3. won't 4. don't 5. isn't 6. I've 7. I'm 8. I'll 9. she's 10. there's	1. accident 2. actually 3. address 4. answer 5. appear 6. arrive 7. believe 8. bicycle 9. breath 10. breathe	1. snail 2. plain 3. chain 4. stain 5. faint 6. waist 7. again 8. afraid 9. explain 10. complain

Times tables:

Your child has a login for Times Table Rock stars. Please ask the teacher if you need this information.

Children should also learn division facts related to the times table they are working on. For example, children should know that $5 \times 3 = 15$, so $15 \div 5 = 3$.
