

EnglishChildren will:

- Explore the story "I Want My Hat Back" and "Billy and the Beast in me"
- Learn What Makes A Good sentence
- Orally rehearse and sequence sentences to create a story
- Take part in Daily Supported Reading
- Have daily phonics lessons

So that they...

Begin to write successful simple sentences

Write a complete sentence with a capital letter, finger spaces and punctuation including full stops.

Apply their phonics knowledge when writing and reading

Develop fluency and reading comprehension

Goals and Aspirations

Physical EducationChildren will:

- Have weekly indoor and outdoor PE lessons
- Explore a range of motion
- Navigate floor and apparatus spaces safely

So that they...

Learn to move in a controlled manner

Develop a short movement routine involving gymnastic movement and balance

ComputingChildren will:

- Learn about E-safety
- Explore using a Chromebook
- Log on to Chrome books

So that they...

Understand how to stay safe online

Create rules for using technology responsibly

ScienceChildren will:

- Explore everyday materials
- Name materials
- Use their senses to feel materials
- Explore how some materials can be changed

So that they...

Identify the materials around them and talk about their suitability for particular uses

Describe the properties of everyday materials using scientific vocabulary

ArtChildren will:

- Explore colour, texture and pattern
- Learn about artists in the expressionist art movement

So that they...

Can use of line, colour, texture and pattern

Create expressive artwork using a mix of skills.

How You Can Help

- Support your child with their weekly homework (accessible on the Harbinger website)
- Read every day with your child using Bug Club or books that are sent home.

MathsChildren will:

- Work with and compare numbers up to 10
- Count forwards and backwards to and from 10
- Say 1 more/1 less than a number to 10
- Make number bonds to 10

So that they...

Can order and compare numbers

Know and use number relationships

Begin to develop a written strategy for addition

Are confident and able to use numbers up to 10 within a range of mathematical situations.

GeographyChildren will:

- Look at photos of the local area
- Look at a range of maps
- Create maps of different locations
- Give directions using left, right, forwards & backwards

So that they:

Develop knowledge about their locality

Use locational and directional language

Devise a simple map involving key

PSHEChildren will:

- Explore rights of a child
- Create a class charter
- Find out about class Dojos

So that they...

Understand our rights and responsibilities

Have a safe and happy learning environment

Understand what is expected of them in a learning space

ComputingChildren will:

- Learn about E-Safety
- Identify different forms of IT
- Use a mouse to click and drag
- Use a keyboard to type, delete and edit

So that they...

Understand how to stay safe online

Create rules for using technology responsibly

Religious EducationChildren will:

- Look at some sacred places
- Explore how places of worship are similar and different

So that they...

Identify sacred places, special objects and symbols.
