**Times tables:**

Please note that by the end of year 4, children are expected to know all of the times tables, up to 12 x 12.

Children should also learn division facts related to the times table they are working on. For example, children should know that  $5 \times 3 = 15$ , so  $15 \div 5 = 3$ .

Please log into Times Tables Rockstars regularly to practise: [www.ttrockstars.com](http://www.ttrockstars.com).
